### CHAIRMAN'S STATEMENT FOR THE YEAR ENDED 31 MARCH 2018

The chairman presents his statement for the period.

Reflecting on Foundation Derbyshire's past year, I am pleased to report that the Foundation is in good and stable health. During the year we were delighted to accept a total of £310,000 worth of new funds, and this means that despite a temporary devaluation in the investment markets in March 2018, our organisation remained at a value in excess of £7.5 million. This was despite distributing grants of £387,000 to 192 charitable county organisations and 41 individuals during the year.

Undoubtedly, a highlight of our year was the splendid Awards Ceremony at Chatsworth in October 2017. Generously hosted by the Duke and Duchess of Devonshire, and sponsored by Rathbones, the presentations to the selected recipients were as impressive as ever. We were blessed to have an audience of 120 guests, which is one of our best ever turnouts, and the drinks reception was an exceedingly happy affair where guests were able to mingle, meet the recipient charities, and learn more of what Foundation Derbyshire does within our county. We took the opportunity of the Awards evening to launch the Derbyshire Matters initiative together with its excellent brochure, which campaigns to address issues which face many in the county: Mental health for the young; caring for the aged and infirm; and overall poverty or disadvantage.

As ever, we have had to say farewell to individual Trustees during the year. David Coleman, a former High Sheriff and a Board member of a full 12 years, left us with all our thanks. And gratitude was also expressed to Eleanor Reynolds, whose commitments have meant she has needed to move on following her fairly short but impactful time with us. Both of these former trustees have contributed a great deal, not least David who completed a full set of three 4-year terms.

I am delighted that David Palmer, Andrew Cochrane, David Ball and Alison Williams have all joined the Board of Trustees. The combined skills of these individuals will be extremely valuable to us and all of the existing members look forward to working with them.

It remains an aim of the Board that Foundation Derbyshire should continue to grow. This growth does indeed continue as generous donors kindly offer to us endowments of assets, of any size, from time to time. We are always enormously grateful for such donations, not least because the needs within the county, especially within the more deprived neighbourhoods and communities, only ever increase.

Remembering that Foundation Derbyshire is a charity in its own right, I hope to see the launch of a Friends of the Foundation scheme during 2018/19. The office at Belper operates on an exceedingly low cost - base, and if we are successful in establishing a list of benevolent Friends, any additional income that we raise may be expended in a way that would accommodate and encourage our growth.

Foundation Derbyshire prides itself on doing a job well. We try our hardest to maintain a regular income, coupled with stable grant giving. The Finance Committee chaired by William Kerr is well placed to oversee the performance of our investments, whilst Rachael Grime, Sarah Stainthorpe and the office team, together with the volunteer grantmaking panels, do an excellent job of reviewing the applicants and administering the donations.

On this note, I would like to thank personally Rachael and her team, as well as all of those who give their time, effort and financial help to us. Without any of these, we would not be able to exist. And, I would like to thank last year's and this year's High Sheriffs (Annie Hall and Lucy Palmer) in their obvious support of the Foundation. I am also grateful to the Community Representatives who give up so much of their time and expertise to our grants and monitoring needs.

We are always looking for support and help from people within our county who might want to get involved. This can range from an individual wanting to put themselves forward to be a Board Trustee, to someone who might like to organise a fund raising event for us. Or, someone might want to run a marathon for us, or go sky-diving! If you are one of these people, do please let us know.

## CHAIRMAN'S STATEMENT FOR THE YEAR ENDED 31 MARCH 2018

It should also be remembered that we can be a charitable recipient for the business community – those corporates who wish to undertake a Corporate Social Responsibility function but don't know how to get it off the ground. Foundation Derbyshire is always here to help, so please talk to us.

I would like to thank all of you for your support over the past year, and look forward to a successful 2018/19.

Name

Oliver Stephenson/

Chairman

Date

6 August 2018

### TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2018

The trustees present their annual report together with the audited financial statements of the charitable company for the year ended 31 March 2018. The trustees confirm that the Annual Report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) as amended by Update Bulletin 1 (effective 1 January 2015).

Since the charitable company qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

### OBJECTIVES AND ACTIVITIES UNDERTAKEN BY THE FOUNDATION FOR THE PUBLIC BENEFIT

#### Vision

Derbyshire Community Foundation (operating as Foundation Derbyshire) ("the Foundation") is an independent Derbyshire based registered charity. Our vision is:

- To revitalise local life by means of a fund for Derbyshire, provided for the good of the community by people with the commitment and means to give.
- By meeting visible needs today, and anticipated and unexpected future needs, to make a difference to Derbyshire forever.

## **Objectives and Activities**

The charitable objects of the Foundation, as defined in its Memorandum and Articles of Association are to support or promote exclusively charitable purposes which in the opinion of Trustees are beneficial to the community, with a preference for those in Derbyshire. The objects are achieved by:

- Building an endowment fund for the people of Derbyshire, to provide a growing sum for grants to tackle disadvantage and to enhance the quality of life in our county;
- Making grants creatively on behalf of our donors and other funders, to create the bridge between people who care about the local community and the wide range of groups and individuals that need their help.

The Foundation's strategy for delivering the endowment building objective is to attract investment (usually from local individuals, corporates and charitable trusts) into our independently managed, multipurpose endowment fund by offering donors:

- A range of tailor-made services to help donors channel their charitable giving in a tax efficient way, back into Derbyshire:
- The versatility to assist a wide range of causes, including children, older people, sport, arts and culture, the environment and community development;
- The means to improve quality of life and help to build stronger communities across the county in perpetuity;
- A countywide knowledge that helps us to identify suitable recipients and enables donors to reach grass roots projects that might not otherwise find the funds they need.

By linking local donors with local needs in this way, we are able to deliver public benefit in a sustainable way, by addressing both the problems of today and the issues facing future generations.

(recompany miniou by guarantee)

## TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2018

## OBJECTIVES AND ACTIVITIES UNDERTAKEN BY THE FOUNDATION FOR THE PUBLIC BENEFIT (continued)

The Foundation has also continued to augment its grantmaking activity and impact by distributing funds on behalf of companies, individuals other charities and government departments, through a variety of grant making programmes.

Our other objective focuses on grant making as our bridge between the people who care about the local community and the wide range of groups and individuals that need their help. Our donors and funders enable us to bring about this change, by entrusting us with the management and/or distribution of their funds and our strategy for maintaining and strengthening this "bridge" is to continually ensure that:

- · Our grants are made after careful assessment and with probity;
- · Our grants meet priority needs;
- · People with detailed local knowledge contribute to decision making; and
- · Our grants achieve their aims.

The Trustees have regard for the Charity Commission's guidance on Public Benefit, when reviewing the Foundation's charitable objectives and deciding what activities the Foundation should undertake, and are satisfied that these objects meet the appropriate charitable purposes as defined by the Charities Act 2016. Given that public benefit is an intrinsic part of the Foundation's objectives and activities, additional information on its delivery is provided throughout the body of this report.

## **ACHIEVEMENTS AND PERFORMANCE**

- £387k of grants awarded to 192 organisations and 41 individuals.
- Endowed funds totalling £7.25 million as at 31st March 2018
- New endowed funds of £311k
- · 64 endowed funds now under Foundation Derbyshire's management

In order to deliver the Foundation's objectives, a number of initiatives were undertaken throughout the year, primarily around fund development and grant making.

In October 2017, the Foundation's Patron, the Duke of Devonshire, welcomed guests to Chatsworth for the 2017 Foundation Derbyshire Awards Ceremony, to celebrate the work of five local community and voluntary groups. The Duke was joined by Derbyshire's Lord-Lieutenant, High Sheriff, Police and Crime Commissioner and other distinguished guests and Foundation supporters to present The Bus Park Café, Derbyshire LGBT+, Well-Being Works CIC, Derventio Housing Trust and SPODA (five groups recently funded by the Foundation) with their Awards.

In November, 2017, the High Sheriff of Derbyshire and Foundation Derbyshire Trustee, Annie Hall, hosted a luncheon at the magnificent Grade 1 Listed West Mill in Darley Abbey, to showcase the work of Foundation Derbyshire.

During lunch, the High Sheriff spoke about her involvement with Foundation Derbyshire and the grants that it makes to community and voluntary groups across the county that are supporting those in need and helping make our communities healthier, happier and safer.

(A company limited by guarantee)

## TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2018

## ACHIEVEMENTS AND PERFORMANCE (continued)

### Grantmaking

The essence of the Foundation's activity is to provide public benefit for the residents of Derbyshire and Derby City, through the provision of grant funding. In 2017/18, £387k of funds were distributed throughout Derbyshire, bringing the total value of grants made by the Foundation, since its establishment in 1996, to over £15 million.

£274k (2016/17: £291k) of grants were distributed from the Foundation's portfolio of named endowment funds and of the 233 grants awarded during the year, 12 grants (totalling £99k) were in excess of £7,000.

Organisations within Derby City received 48% of the Foundation's grantmaking; a reflection of the grants awarded from the Foundation's largest Fund, the Tom Carey Fund, which has been established for the benefit of the Abbey Ward area of the city. The remaining 52% was distributed across all eight Derbyshire districts, with the High Peak and Chesterfield taking the highest proportion at 10% of total grantmaking each.

In terms of grantmaking distribution by "need" rather than "geography", a third of the Foundation's funding went to areas of the county that fall within the 'Most Deprived 20%' areas of England (of which two thirds went to areas that fall with the Most Deprived 10% areas of England).

Our grantmaking is made possible by the generosity of local people, corporates, funders and charitable trusts who recognise the fantastic and invaluable work that is being done at a grassroots level and use our expertise and local knowledge to invest in their local communities and reach those groups that need their help the most.

There are now 64 endowed funds under Foundation Derbyshire's management and a further 13, which we administer on a "flow through" basis (i.e. held and spent within a specific period, rather than invested in our endowment fund) on behalf of organisations such as Comic Relief/Sports Relief, as well as individual donors.

A major new flow through fund secured last year was a £150k fund, for distribution over a two year period, in support of groups working with, and for, older people and the particular issues that they face. This is proving to be an incredibly popular fund, which we anticipate will have fully defrayed within the next 12 months.

There are an estimated 3,700 voluntary and community organisations operating across Derbyshire, including formally registered organisations, such as charities, social enterprises and co-operatives, and a large number of 'below the radar' organisations that are not formally registered or incorporated. Nationally, c. 50% of organisations are micro in size (annual income under £10,000) but receive only c. 1% of national voluntary sector income and it is therefore at this grassroots level where the Foundation's grantmaking can and does make a real difference across Derbyshire.

Our named endowed funds support a wide and diverse range of issues and activities, from supporting carers, survivors of domestic abuse and isolated elderly residents to providing the people of Derbyshire with access to music, sport, advice, childcare, transport, counselling and a host of other services.

Smaller donations and gifts from donors that do not want to establish a separate named fund are held within the Embrace Derbyshire Fund. This Fund has no specific priorities and therefore has the flexibility to respond to emerging issues and fund activities that might not meet the criteria of our donor directed funds.

Funding surgeries held across the City and County continue to be a key and effective way of communicating the availability of grants and how to successfully apply for them to potential recipients. In 2017/18, 15 community outreach events were organised or attended, including funding surgeries and workshops and presentations for other infrastructure organisations.

## TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2018

### ACHIEVEMENTS AND PERFORMANCE (continued)

### **Volunteers**

The Foundation aims to maximise the quality of public benefit delivered by involving members of the public in our grant making decisions. The Foundation has recruited a number of grant advisors (volunteers who live in their panel area and are involved in (and have a strong understanding of) the voluntary and community sector) as members of the Foundation's grants committee, to attend meetings and advise on our grant making policy.

This helps us to ensure that funding is directed where it is most needed and that all bids are considered in accordance with both the Foundation's constitutional objectives and the criteria of our funders and donors.

The Foundation also manages a number of fund specific panels. The Board thanks all Panel members for their ongoing commitment and contribution to the Foundation.

#### **UKCF**

We continue our membership of the national body for community foundations, UKCF, which continues to lobby at a national government and corporate level in order to promote the capabilities of our national network.

#### **Fund Development Activity**

The Foundation is committed to its role as a trusted philanthropic adviser and therefore focus continued throughout the year on strengthening and developing the service that we offer to our existing donors to ensure that their experience of giving through the Foundation is rewarding.

Enabling donors to see, first hand, the impact that their philanthropy is having in their local communities is a very important aspect of this work

In addition to circulating case studies and monitoring feedback to Donor panels, during the year we also arranged six "Seeing is Believing Visits", three presentations from groups that have benefitted from Foundation funding and six donor-specific newsletters, all of which continued to be both popular and inspiring.

New endowed funds of £311k were secured during the year, of which over 84% came from new donors. The £49.8k received from existing donors is, we believe, a reflection of the long term relationships we build with our donors and the importance we place on our role as philanthropy advisers and providers of donor services.

Our Awards ceremony has become a key "plank" of our communications, enabling us to articulate effectively the value of the Foundation's work to potential donors and supporters. The 2017 event was used to launch the Foundation's Derbyshire Matters campaign, which hopes to raise awareness of and much needed funds for three key issues our county is facing – improving the mental health of young people, caring for an ageing population and tackling poverty and disadvantage.

Work also continued throughout the year on a Professional Advisor marketing strategy, as part of an ongoing fund development and awareness raising campaign with this particular sector.

Social Media continues to play an increasingly important role in communicating the work of the Foundation to both recipients and donors. Over 1,000 subscribers now receive our quarterly e-newsletter and we have over 1,850 followers on Twitter and 185 Facebook followers.

## TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2018

#### FINANCIAL REVIEW

#### **Unrestricted Funds**

Management fee income of £15.7k was lower than 2016/17 (at £24.6k). This was due to a reduction in grantmaking on behalf of Sports Relief and a corresponding fall in management fee income.

Notwithstanding this, over £18k of unrestricted donations during the year, combined with ongoing cost control measures and transfers of £149k from endowed funds (relating primarily to the 2% administration fees charged to the endowment fund), resulted in a £3k surplus for the year and a corresponding increase in unrestricted reserve levels to £78.8k as at 31st March 2018.

#### **Restricted Funds**

Balances unspent at 31 March 2018 amounted to £542k, £72k higher than balances at 31 March 2017, principally due to £60k of endowed funds (previously held under a Section 106 Agreement) being transferred during the year to restricted funds, pending their transfer to another community foundation.

The remaining restricted fund balance relates to funds which have not fully distributed their grant making capacity and will be available for grant distribution during 2018/19.

## **Endowment Fund**

Despite strong performance during the 9 months to 31st December 2017, a downturn in global financial markets during the final quarter of the financial year resulted in the Foundation's investments returning an unrealised loss for the year of £94k (2016/17: £906k gain). Despite new endowment donations of £311k and investment income (Interest dividends and rental income) of £235k during the year, endowment expenses (investment management costs and expenses relating to our investment property) of £56.3k and £502k of distributions (relating primarily to transfers under the Foundation's Total Return Policy) resulted in a £106k reduction in endowed funds during the year to £7,249k.

### Investment powers and policy

Under the Memorandum and Articles of Association, Derbyshire Community Foundation has the power to invest any funds not immediately required for the furtherance of its objects in such investments, securities or property as may be thought fit, without reference to social, environmental or ethical considerations.

The investment objectives remain as:-

- (a) The creation of a sufficient financial return to enable the Foundation to carry out its purposes effectively and without interruption;
- (b) To maintain and, if possible, enhance the value of the Foundation's investment funds whilst they are invested;
- (c) To obtain a reasonable balance between capital growth and income so that the Foundation can meet future as well as current need; and
- (d) To avoid investments that the Board of Trustees considers to be unduly risky.

The Trustees have delegated their investment powers to appointed investment managers (currently Rathbones and Cazenove) on a discretionary basis. In addition, The Office for Civil Society requires that CCLA manage a small portion of the Foundation's endowment (£373k as at 31st March 2018) under the Community First programme.

## TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2018

## FINANCIAL REVIEW (continued)

The investment managers are responsible for carrying out all day-to-day investment decisions including acquisition and realisation of investments. The investment managers are required to exercise the power to give effect to the principles as contained in the Foundation's Investment Policy and, in particular, must have regard to the need for diversification and suitability of investments selected.

Whilst the Trustees are not involved in the day-to-day operation of the investment portfolio and do not directly influence attainment of a performance target, they assess performance quarterly. In addition, the appointment of investment managers is reviewed at least every five years by the Trustees, as part of its Investment Management tender process.

Investment policy remains to secure a balance between income and capital growth, with a minimum requirement of a 6% total return to support our agreed spending policy.

As at 31 July 2018, the value of the Foundation's investment portfolio was £7,319k (as at the balance sheet date of 31 March 2018: £6,905k).

### **FUTURE PLANS**

Work continued throughout the year to deliver the Foundation's current three year strategic plan, in which we have identified our key objectives as being:

- (i) To award a minimum of £350,000 in grants each year, with the aim to increase the value of grants awarded, year on year.
- (ii) To develop ongoing needs analysis and impact measurement in order to evidence the impact of our grantmaking and ensure that the Foundation continues to be both responsive and pre-emptive when meeting the needs of the communities that we serve.
- (iii) Initiate a programme of one or more "themed" grant programmes that support specific areas of social need within Derbyshire.
- (iv) Deliver year on year growth in new endowed funds over the next three years.
- (v) Increase the Foundation's profile as a trusted philanthropic advisor, intelligent grantmaker and professional manager of charitable funds with fund development and grantmaking audiences.

As outlined in this report, the Board is delighted that progress has been made on all five of these key areas.

### STRUCTURE, GOVERNANCE AND MANAGEMENT

### Appointment of Trustees

As of the 2010 AGM, at which amendments to the Articles of Association were approved, Trustees serve for a four year term. Trustees must retire at the AGM following their completion of four years' service, but may stand for re-election, subject to a maximum of three consecutive four-year terms.

To ensure that board transparency and effectiveness are not compromised, re-election is subject to satisfactory performance and the achievement of minimum performance standards.

## TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2018

## STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

The Board has the power at any time to appoint any person to be a Trustee, either to fill a casual vacancy or as an addition to the existing Trustees, subject to the total number of Trustees at any time not exceeding sixteen. Any Trustee appointed holds office only until the next following AGM, and then becomes eligible for re election.

New Trustees are found from the contacts and networks of existing Trustees. The Board regularly undertakes skills audits in order to identify skills gaps amongst existing Trustees and to enable it to seek new Trustees with the skills and experience to fill these gaps.

## Trustee induction and training

New Trustees attend an induction meeting, at which they are briefed on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committees and decision making processes, the business plan, staffing structure and recent financial performance of the charity.

### Organisation

The Board of Trustees administers the charity. The Board meets quarterly and there are sub-committees covering Finance and Grant Making.

The Chief Executive is appointed by the Trustees and manages the day to day operations of the charity, working within terms of delegation, approved by the Trustees, for operational matters including finance, employment, fund development and grant making related activities.

### Risk management

The Foundation has developed a Risk Management Register that details the risks to which the charity is exposed in the key areas of governance, finance, personnel, grant making, donor services, management, environment and premises.

Along with the potential impact of those risks, the probability of them occurring and the mitigating action required is also outlined, to assist with:

- a) Regulatory compliance:
- b) Achieving the charity's aims more effectively;
- c) Ensuring that significant risks are known and monitored, thereby enabling trustees to make a more effective contribution; and
- d) Improved forward planning.

Major risks to which the Foundation is currently exposed and systems or procedures established to manage those risks are:

Loss of revenue / discontinuation of major donation(s)

The Foundation's strategic planning process is on a three year rolling basis and donor care and development is a key element of this process. In addition, the Finance Committee monitors investment performance and reviews appropriateness of Total Return Policy distribution levels on an ongoing basis. Budgets are established at the beginning of each financial year and reviewed quarterly by the Finance Committee, along with cash flow and P&L performance.

(A company limited by guarantee)

## TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2018

## STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

## 2. Stock Market volatility and/or poor performance

The Foundation utilises the services of three investment managers (including CCLA who manage the Community First endowment) in order to mitigate poor investment management performance and monitors their performance closely. In addition, the appropriateness of distribution levels is reviewed alongside investment performance information.

## 3. Inadequate planning/forecasting

An annual Board/Senior Management Strategy Day ensures that both staff and Trustees are involved in setting targets and that these are not only relevant but that an appropriate balance between realistic and challenging is maintained.

#### Governance

The Board of Trustees plays an important part in fulfilling the Foundation's purpose and vision. Our goal continues to be that we maximise public benefit by ensuring that we:

- · Embrace and reflect the whole community that we serve;
- Function effectively within the terms of a modern and relevant code of governance;
- · Promote the commitment and satisfaction of those who serve on it; and
- · Help the Foundation achieve its objectives.

A Board skills audit is conducted on a regular basis and is used to inform the Trustee recruitment process. Work continued during the year to recruit new Trustees that have the skills and expertise required for the future growth and development of the Foundation and that are reflective of the communities that we serve.

## Management

The Foundation now employs a core staff of five part time employees (3.0 FTE) and continues to manage a significant grants budget and increasing number of named endowment funds. To enable us to maintain our efficiency and probity, ongoing work on our infrastructure, including policies, operational standards and management practice, therefore continued as an ongoing priority.

Remuneration of key management personnel is reviewed on an annual basis by the Foundation's Finance Committee and their recommendations are then submitted to the Board for approval.

### Investment powers and policy

Under the Memorandum and Articles of Association, Derbyshire Community Foundation has the power to invest any funds not immediately required for the furtherance of its objects in such investments, securities or property as may be thought fit, without reference to social, environmental or ethical considerations. Investment policy remains to secure a balance between income and capital growth, with a minimum requirement of a 6% total return to support our agreed spending policy.

#### Reserves policy

The reserves policy was revised in 2007 to reflect a target level of a minimum of four months running costs. This revision reflected the increased timescales and potential costs of winding down what had become a much larger organisation. The Trustees are pleased to report that unrestricted reserves of £79.3k equate to ongoing running costs of twenty two weeks (2016/17: reserves of £76.5k equated to twenty four weeks' running costs).

(A company limited by guarantee)

## TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2018

### STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

#### **Employees**

The Trustees would like to formally express their appreciation to all employees, together with the members of the various grant making panels for their contribution to another successful year.

#### **Trustees**

The Trustees who have held office during the year are listed on page 1. The Board thanks all members for their contribution to another successful year for Derbyshire Community Foundation.

#### Statement of Trustees' responsibilities

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the surplus or deficit of the charitable company for that year. In preparing those financial statements, the Trustees are required to:

- \* Select suitable accounting policies and then apply them consistently;
- \* Make judgements and estimates that are reasonable and prudent;
- \* Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Status

The charitable company is limited by guarantee without having a share capital and the liability of the members is limited to £1 each. The charitable company is governed by its Memorandum and Articles of Association and is a registered charity.

### GOING CONCERN

After making appropriate enquiries, the trustees have a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

### CONSTITUTION

The charitable company is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association on 2 January 1994.

The charitable company is constituted under a Memorandum of Association dated 2 January 1994 and is a registered charity number 1039485.

(A company limited by guarantee)

## TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2018

#### TRUSTEES' INDEMNITIES

The trustees, as directors of the company, have been granted a qualifying third party indemnity provision under section 234 of the Companies Act 2006. This does not provide cover in the event of a director being proved to have acted fraudulently or dishonestly.

### TRUSTEES' RESPONSIBILITIES STATEMENT

The trustees (who are also directors of Derbyshire Community Foundation for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### DISCLOSURE OF INFORMATION TO AUDITORS

Each of the persons who are trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that trustee is aware, there is no relevant audit information of which the charitable company's auditors are unaware, and
- that trustee has taken all the steps that ought to have been taken as a trustee in order to be aware of any
  relevant audit information and to establish that the charitable company's auditors are aware of that
  information.

This report was approved by the trustees, on 6 August 2018 and signed on their behalf by:

Oliver Stephenson

Chairman

6 August 2018

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF DERBYSHIRE COMMUNITY FOUNDATION

#### OPINION

We have audited the financial statements of Derbyshire Community Foundation (the 'charitable company') for the year ended 31 March 2018 set out on pages 17 to 37. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2018 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **BASIS FOR OPINION**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **USE OF OUR REPORT**

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

#### CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may
  cast significant doubt about the charitable company's ability to continue to adopt the going concern basis
  of accounting for a period of at least twelve months from the date when the financial statements are
  authorised for issue.

#### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF DERBYSHIRE COMMUNITY FOUNDATION

#### OTHER INFORMATION

The trustees are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Auditors' report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### OPINION ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' report has been prepared in accordance with applicable legal requirements.

#### MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remunerations specified by law not made; or
- · we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies
  regime and take advantage of the small companies' exemptions in preparing the Trustees' report and
  from the requirement to prepare a Strategic report.

(A company limited by guarantee)

#### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF DERBYSHIRE COMMUNITY FOUNDATION

#### **RESPONSIBILITIES OF TRUSTEES**

As explained more fully in the Trustees' responsibilities statement, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

## AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018

#### 1. ACCOUNTING POLICIES

### 1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Derbyshire Community Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

### 1.2 Company status

The charitable company is a company limited by guarantee. The members of the company are the trustees named on page 1. In the event of the charitable company being wound up, the liability in respect of the guarantee is limited to £1 per member of the charitable company.

### 1.3 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charitable company and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charitable company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

## 1.4 Income

All income is recognised once the charitable company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which the estate is finalised or when a distribution is received from the estate.

All grants and voluntary income are accounted for gross when receivable and represent the amounts derived from core funding, grants and donations which fall within the charitable company's activities.

Interest and dividends are included in the financial statements on an accruals basis. Tax recoverable on the above is accounted for on a receivable basis.

Investment income is allocated to restricted or unrestricted funds by reference to the nature of the underlying funds generating the income.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018

## 1. ACCOUNTING POLICIES (continued)

### 1.5 Expenditure

Expenditure is included on the accruals basis and is recognised when there is a legal or constructive obligation to pay for expenditure. Certain expenditure is directly attributable to specific activities and has been included in those cost categories. Other costs, which are attributable to more than one activity, are apportioned across cost categories on the basis of the estimated proportion of time spent by staff on those activities.

Irrecoverable VAT is included within the items of expense to which it relates.

Grants payable are recognised as expenditure when the commitment is made.

Fundraising costs are those incurred in seeking the voluntary contributions and do not include the costs of disseminating information in support of the charitable activities. Support costs are those costs incurred directly in support of expenditure on the objects of the charitable company. Management and administration costs are those incurred in connection with administration of the charitable company and compliance with constitutional and statutory requirements.

#### 1.6 Heritage assets

Artwork is capitalised at its value on donation or insurance valuation. No depreciation is provided as the residual value is considered to be at least equal to the valuation. Any excess of market value (i.e. insurance value) over the value on donation is credited to the Statement of Financial Activities. An impairment review is undertaken annually.

## 1.7 Tangible fixed assets and depreciation

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment.

#### Freehold property

The freehold property (charity premises) is carried at cost less provision for depreciation.

#### Investment property

The investment property is carried at market value and the valuation is reviewed at the end of each reporting period by the Trustees using rental yield calculations and comparing these against commercial rates. Where there is deemed to be a material change to the valuation, a professional valuer is appointed. The excess of market value over cost is credited to the Statement of Financial Activities. Where market value is less than original cost the resultant deficit is taken to the endowment fund.

### Donated fixed assets

Donated fixed assets are recognised at market value as a donation at the time of the donation being made.

## 1.8 Investments

Investments are stated at market value at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluations and disposals throughout the year.

(A company limited by guarantee)

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018

## 1. ACCOUNTING POLICIES (continued)

### 1.9 Operating leases

Rentals under operating leases are charged to the Statement of financial activities incorporating income and expenditure account on a straight line basis over the lease term.

#### 1.10 Financial instruments

The charitable company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

#### 1.11 Taxation

The charitable company is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charitable company is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

## 1.12 Pensions

The charitable company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charitable company to the fund in respect of the year.

## 1.13 Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

## Critical accounting estimates and assumptions:

The charitable company makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

#### Impairment of heritage assets

Heritage assets have been reviewed for evidence of impairment and a provision of £19,314 has been made in the current year. In the view of the Trustees, this is reasonable when considering the condition of the artwork and its potential for resale and/or generating income.

#### Non-depreciation of freehold property

No depreciation has been charged as in the view of the Trustees, based on the estimated residual value and a useful economic life of 25 years, the annual depreciation charge would be immaterial.

### 10. STAFF COSTS

Staff costs were as follows:

	2018 £	2017 £
Wages and salaries Social security costs	101,329 5,296	96,284 3,523
Pension and health scheme costs	5,293 ————————————————————————————————————	103,860

Of the above staff costs an amount of £93,227 (2017: £89,540) is shown within expenditure and £18,691 (2017: £14,320) as governance costs.

The charitable company operates a defined contributions pension scheme.

Included within pension and health scheme costs are pension contributions payable by the charitable company of £4,670 (2017: £3,534).

The average number of persons employed by the charitable company during the year was as follows:

	2018 No.	2017 No.
Employees Management and administration	4 1	4
	5	5
Average headcount expressed as a full time equivalent:		
	2018 No.	2017 No.
Allocated to charitable activities Allocated to management, administration and fundraising	2.60 0.40	2.94 0.46
	3.00	3.40

No employee received remuneration amounting to more than £60,000 in either year.

During either year, no trustee received any remuneration, benefits in kind or reimbursed expenses.

At 31 March 2017	62,030	62,030

Artwork relates to the holding by two funds of pieces of art donated by or purchased from artists. A valuation of artwork held in August 2015 by Hansons confirmed that its current market retail replacement valuation at that date was £47,860. A further £14,170 of artwork was donated in September 2015 and a further £19,600 in September 2017. The Board reviewed holdings during the year and determined that an adjustment of £19,314 to the valuation of certain works would be appropriate having regard to the artist's current practice.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018

#### RESTRICTED FUNDS

## Transfers In to Restricted Funds

Transfers in to Restricted Funds, totalling £292,542 (2017: £259,708), relate primarily to distributable income for grant making that was transferred in accordance with the Foundation's Total Return Policy. These transfers were made from the Foundation's Endowment Fund into the grant revenue pots of the circa 60 discretionary and donor directed named Endowment funds, which have been established with the Foundation.

A total of £60,615 (2017: £nil) was transferred in to Restricted Funds during the year, £60,562 from Endowment Funds and £53 from Unrestricted Funds. This relates to the HJ Banks fund which will be taken over by another foundation next year.

## Transfers Out of Restricted Funds

A total of £nil (2017: £25,288) was transferred out of Restricted Funds during the year, in accordance with donors' wishes, to either Endowment or Unrestricted Funds.

## 22. PENSION COMMITMENTS

The charitable company operates a defined contributions pension scheme. The assets of the scheme are held separately from those of the charitable company in an independently administered fund. The pension cost charge represents contributions payable by the charitable company to the fund and amounted to £3,534 (2017: £3,678). Contributions totalling £1,242 (2017: £915) were payable to the fund at the balance sheet date and are included in creditors.

### 23. OPERATING LEASE COMMITMENTS

At 31 March 2018 the total of the Charity's future minimum lease payments under non-cancellable operating leases was:

	2018 £	2017 £
Amounts payable:	_	
Within 1 year	7,421	7,421
Between 1 and 5 years	3,522	10,943
Total	10,943	18,364

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018

## 24. RELATED PARTY TRANSACTIONS

During the year donations made by trustees to the charitable company totalled £10,503 (2017: £1,420) excluding gift aid. There were no other related party transactions requiring disclosure.
